

The Wainwright Society Challenge 2018

Saturday 5th May - Saturday 26th May 2018

The 2018 Challenge: *Fellwalking with a Camera at 30*

Members taking part in the 2018 Challenge will visit the viewpoint for one of Wainwright's sketches from the Pictorial Guides. In planning the route, challengers should consult the relevant guidebook (see Challenge form for page references) where maps, ascent diagrams and sketches will be of assistance in locating the objective. Members are also strongly advised to consult a 1:25000 OS map in their planning and on the walk if in doubt about the route or poor weather conditions limit visibility. **NOTE:** Society members and any companions completing the Challenge should not undertake walks or climbs that are beyond their capabilities. Do not climb dangerous rocks or crags.

The locations are detailed on the attached sheet. Participants are invited to make donations to the Great North Air Ambulance Service. UK tax payers are encouraged to enhance the donation by completing the Gift Aid Declaration below.

There is a suggested (but not requisite) minimum donation of £10. You may, of course, wish to raise more funds from sponsorship and forms (including Gift Aid) are available on request. To take part, please indicate your choice of walk in order of preference. You will be allocated your first choice, if possible.

Each Challenge will be allocated on a first-come first-served basis, so don't delay your registration. Details of walks as they are allocated will be placed on the Society website page.

IMPORTANT NOTE: All walks are to be undertaken independently and at participants' own risk.
